Said lot has frontage of one hundred forty-five (145) feet instead of the required two-hundred (200) feet and combined total of 1.16 acres instead of the required two and one tenth (2.1) acres. William Schultz swore in Dennis J Fenske. William Schultz asked Dennis Fenske to explain the plans for the property. Roger Mittler explained to Dennis Fenske that if the variance would be granted the parcels must be combined. Alverta Moehle seconded the motion. Role vote: Roger Mittler-aye. Roger Mittler based his vote due to the fact that the house was built between the years of 1956 and 1957 and in 1962 the zoning for York Township required the front footage of a lot to be one-hundred twenty (120) feet and three-quarters (3/4) of an acre. This parcel was bigger than the York Township Zoning Codes when the home was built. Norman Hinman-aye. Norman Hinman based his vote for the same reason Roger Mittler gave. Alverta Moehle-aye. Alverta Moehle based her vote for the same reason Roger Mittler gave. William Schultz-aye. William Schultz based his vote for the same reason Roger Mittler gave. Motion granted.
